Significant Accomplishments

- Implemented Charlotte-Mecklenburg Police Department's (CMPD) Electronic Monitoring Program to address repeat offenders and reduce the incidence of robbery, auto theft, burglary, and aggravated assault.
- Primary architect of CMPD's 2008 Reorganization Plan, which called for rotating officers from specialized assignments to patrol units; modifying organizational structure to achieve greater accountability for crime management; and creating the reporting and data structures for weekly crime briefings.
- Developed a rental property crime reduction ordinance for the City of Charlotte.
- Increased CMPD's hiring quotient and focused on creating a more diverse workforce.
- Developed a 15-year strategic facilities construction plan for 17 new or renovated police facilities.
